

DECORATIVE FROSTED WINDOW FILM

Decorative Frosted Window Film Futura

Trade privacy and frosted glass installations

TRADE ORDERING

Choose the 152cm by-the-metre option for cut lengths, or the 30m full roll for larger and repeat installations. A 3m minimum applies to per-metre orders.

Decorative Frosted Window Film Futura is a trade window film for creating privacy, screening or a frosted-style finish on glass. It is well suited to offices, meeting rooms, residential glazing, partitions and commercial interiors where privacy is needed without replacing the glass.
